- all skin types
- aging skin

CLINICARE®
CUTTING EDGE COSMECEUTICAL FORMULA

EGF EXTRA REFRESH TONER, 100ml (updated formula)

Skin rejuvenation toner with anti-aging properties for a deeply hydrated and beautiful skin

Features

It provides skin deep abundant moisture, and it will give you a smooth and well-hydrated skin without irritations. Activates cell renewal, ensures restoration of the skin at a cellular level, contributes to the healing of various types of skin damage caused by the formation of active oxygen and slows the process of cell damage. Contains the same concentration of hyaluronic acid per ml as a dermal filler.

Main ingredients

- 2% Hyaluronic Acid (20mg/ml LMWHA)
- sh-oligopeptide-1 (EGF)
- Betaine
- Beta Glucan
- Portulaca Oleracea Extract

Ingredients:

Purified Water, Glycerin, Sodium PCA, Betaine, Butylene Glycol, Deep Ocean Water, Beta Glucan, Portulaca Oleracea Extract, Hyaluronic acid (LMWHA), Hamamelis Virginiana (Witch Hazel) Extract, Allantoin, PEG-60 Hydrogenated Caster Oil, Arctium Lappa Root Extract, Bletia Hyacinthina Bulb Extract, Methyl Paraben, Dipotassium Glycyrrhizate, Perfume, Disodium EDTA, sh-Oligopeptide-1

How to use

Take 1~2 drops (0.2-0.4 ml) after cleansing and apply to treatment area with gentle, fingertip massaging motions.

CLINICARE®
CUTTING EDGE COSMECEUTICAL FORMULA

EGF EXTRA REFRESH ESSENCE, 50ml (updated formula)

Special skin-rejuvenation and anti-aging essence for a dazzling clear and deeply hydrated skin.

Features

Having an excellent effect in cell activation and anti-oxidant inhibition. It has a special formula, which will give you a deeply and long lasting well-hydrated skin. A highly concentrated combination of active ingredients help to improve metabolic processes in cells and stimulate collagen synthesis. It regenerate tissue and provide calming effects.

Main ingredients

- 1% Hyaluronic Acid (10 mg/ml LMWHA)
- sh-oligopeptide-1 (EGF)
- Portulaca Oleracea Extract
- Beta Glucan
- Chamomille Extract

Ingredients:

Purified Water, Glycerin, Butylene Glycol, Portulaca Oleracea Extract, Deep Ocean Water, Hyaluronic acid (LMWHA), Beta Glucan, Chamomile Extract, Alcohol, Carbomer, Triethanolamine, PEG-60 Hydrogenated Caster Oil, Triethanolamine, Methyl Paraben, Arctium Lappa Root Extract, Bletia Hyacinthina Bulb Extract, Dipotassium Glycyrrhizate, Perfume, sh-Oligopeptide-1

How to use

Take 1~2 drops (0.2-0.4 ml) after cleansing and apply to treatment area with gentle, fingertip massaging motions.

EGF EXTRA REFRESH SERUM

1% Bio Hyaluronic Acid
(10mg/ml LMWHA)
1% Beta Glucan
(Immune Support)

EGF EXTRA REFRESH SERUM, 50ml (updated formula)

Special skin rejuvenation and anti-aging serum for a beautiful, nourished and well hydrated skin.

Features

An antioxidant rich, breathable, luxuriously replenishing serum that restores strength & stability, deeply hydrates and nourishes the skin, locks in moisture without clogging or a greasy feel, promotes elasticity, fights free radicals, signs of aging & external stress. It provides effective rejuvenation, improving the strength of the skin, the resistance to external and internal aggressive factors is increasing, the stem cells are activated and the energy metabolism is restored.

Main ingredients

- 1% Hyaluronic Acid (10 mg/ml LMWHA)
- sh-oligopeptide-1 (EGF)
- Squalane
- Beta Glucan

- Betaine

Ingredients:

Purified Water, Glycerin, Cetyl Ethylhexanoate, Butylene Glycol, Cyclomethicone, Deep Ocean Water, Squalane, Hydrogenated Polyisobutene, Beta Glucan, Hyaluronic acid (LMWHA), Betaine, Shea Butter(Butyrospermum Parkii), Polyquaternium-51, Glycerylstearate/PEG-100 Stearate, Portulaca Oleracea Extract, Cetearyl Alcohol, Bees Wax, Sorbitan Stearate, Dimethicone, Methyl Paraben, Carbomer, Triethanolamine, Arctium Lappa Root Extract, Bletia Hyacinthina Bulb Extract, Tocopheryl Acetate, Propyl Paraben, Xanthan Gum, Disodium EDTA, Dipotassium Glycyrrhizate, Perfume, sh-Oligopeptide-1

How to use

Take 1~2 drops (0.2-0.4 ml) after cleansing and apply to treatment area with gentle, fingertip massaging motions.

Main active ingredients of REFRESH, GLOW & PURE:

- **Hyaluronic Acid (LMWHA)**, a powerful humectant that helps retain moisture levels in the tissue and improve skin pliability and plumping to relieve fine lines and maintain healthy hydration levels.
- **sh-Oligopeptide-1**, If used continuously, EGF supports regular skin cell renewal, moisturizes skin, fights signs of ageing and improves skin color.
- **Sodium PCA**, Natural mineral salt used as a humectant. Increases the water content of the top layers of the skin by drawing moisture from the surrounding air.
- **Glycerin**, is used as a moisturizer to treat or prevent dry, rough, scaly, itchy skin and minor skin irritations.
- **Betaine**, is involved in cell protection against oxidative stress through the so-called “osmolite strategy”. Betaine has a good anti-inflammatory action on superficial inflammatory lesions.
- **Beta Glucan**, works indirectly by activating the production of an important part of the immune system called the Langerhan cells. The Langerhan cells are important both for over-all health and youthful looking skin, since they protect the body from major infections and provide a way to repair the day-to-day wear that comes from age.
- **Portulaca Oleracea Extract**, is a natural source of vitamins A, C and E, and the co-enzyme Q10, it is an excellent antioxidant, fighting premature aging and protecting the skin from environmental damage.
- **Arctium Lappa Root Extract**, helps protect against chronic tissue inflammation and stimulates collagen synthesis. Promote blood circulation to the skin surface, improving the skin quality/texture and curing skin diseases like eczema.
- **Scutellaria Baicalensis Root Extract**, it is apparently effective in treating acute and chronic dermatitis . It's main function as anti-inflammatory, anti-oxidative and anti-irritant.
