

# CLINICARE®

CUTTING EDGE COSMECEUTICAL FORMULA

**EGF EXTRA GLOW line is for people with:**

- hyperpigmented skin
- smokers skin
- uneven skin tone

CLINICARE®  
CUTTING EDGE COSMECEUTICAL FORMULA

## EGF EXTRA GLOW TONER, 100ml (updated formula)

Anti-Pigmentation Toner with skin rejuvenation and anti-aging properties for a clear, deeply hydrated and beautiful skin

### Features

This toner controls the action of oxidants and tyrosinase, and lightens brown spots on the skin, it will make your skin even and bright, and it will give you a smooth and well-hydrated skin without irritations. Activates cell renewal, ensures restoration of the skin at a cellular level, contributes to the healing of various types of skin damage caused by ultraviolet rays and slows the process of cell damage. Stimulates collagen synthesis and the production of hyaluronic acid and absorbs forms of active oxygen. It is effective for the treatment of pigmentation of different origin. Contains the same concentration of hyaluronic acid per ml as a dermal filler.

### Main ingredients

- 3% Hyaluronic Acid (30 mg/ml LMWHA)
- sh-oligopeptide-1 (EGF)
- Arbutin
- Mulberry Bark Extract
- Betaine
- Beta Glucan

### Ingredients:

Purified Water, Glycerin, Sodium PCA, Betaine, Butylene Glycol, Hyaluronic acid (LMWHA), Alcohol, Portulaca Oleracea Extract, Arbutin, Hamamelis Virginiana (Witch Hazel) Extract, Allantoin, PEG-60 Hydrogenated Caster Oil, Beta Glucan, Citrus Junos Fruit Extract, Diospyros Kaki Leaf Extract, Citrus Aurantium Dulcis (Orange) Fruit Extract, Velvet Extract, Morus Alba Bark Extract, Methyl Paraben, Dipotassium Glycyrrhizate, Perfume, Disodium EDTA, sh-Oligopeptide-1

### How to use

Take 1~2 drops (0.2-0.4 ml) after cleansing and apply to treatment area with gentle, fingertip massaging motions.

CLINICARE®  
CUTTING EDGE COSMECEUTICAL FORMULA

## EGF EXTRA GLOW ESSENCE, 50ml (updated formula)

Anti-Pigmentation essence with skin rejuvenation and anti-aging properties for a well hydrated and dazzling clear skin.

### Features

Having an excellent effect in cell activation, anti-oxidant, and tyrosinase inhibition, Jeju orange, enriched Arbutin and Mulberry bark extract, solves skin problems such as melasma and brown spots. It has a special formula which will prevent pigmentation and stop melanin formation.

This enriched and highly moisturizing essence will give you a long lasting well-hydrated skin. This product is essential for the correction of aging skin (pigmentation, wrinkles, dull skin color, increased xerosis and reduced turgor).

#### Main ingredients

- 2% Hyaluronic Acid (20 mg/ml LMWHA)
- sh-oligopeptide-1 (EGF)
- Arbutin
- Mulberry Bark Extract
- Jeju (Korea) Orange

#### Ingredients:

Purified Water, Glycerin, Butylene Glycol, Arbutin, Hyaluronic acid (LMWHA), Portulaca Oleracea Extract, Hamamelis Virginiana (Witch Hazel) Extract, Alcohol, Citrus Junos Fruit Extract, Diospyros kaki leaf Extract, Citrus Aurantium Dulcis (Orange) Fruit Extract, Velvet Extract, Morus Alba Bark Extract, Methyl Paraben, Dipotassium Glycyrrhizate, Carbomer, PEG-60 Hydrogenated Caster Oil, Triethanolamine, Methyl Paraben, Beta Glucan, Polyquaternium-51, Disodium EDTA, Dipotassium Glycyrrhizate, Perfume, sh-Oligopeptide-1

#### How to use

Take 1~2 drops (0.2-0.4 ml) after cleansing and apply to treatment area with with gentle, fingertip massaging motions.

### EGF EXTRA GLOW SERUM, 50ml (updated formula)

Special anti-aging, skin rejuvenation and anti-pigmentation serum for a hydrated and bright skin

#### Features

It prevents unnecessary pigmentation, blocking the aging mechanisms, providing an antioxidant, nourishing and calming effect. This serum restores tired and dull skin damaged by too much sun and excessive stress. It restores skin barrier functions and increases its water-holding capacity. It contributes to a powerful stimulation of skin cells and formation of collagen, weakening the impact of ultraviolet radiation on cells and DNA, neutralizing the reactive oxygen forms, preventing lipid peroxidation and aging of the skin and inhibiting tyrosinase activity and melanin formation.

#### Main ingredients

- 0.5% Hyaluronic Acid (5 mg/ml LMWHA)
- sh-oligopeptide-1 (EGF)
- Arbutin
- Mulberry Bark Extract
- Jeju (Korea) Orange,

#### Ingredients:

Purified Water, Glycerin, Butylene Glycol, Mineral Oil, Arbutin, Cyclomethicone, Caprylic/Capric Triglyceride, Cetyl Ethylhexanoate, Polysorbate 80, Cetyl alcohol, Stearic Acid, Beta Glucan, Hyaluronic acid (LMWHA), Citrus Junos Fruit Extract, Diospyros kaki leaf Extract, Citrus Aurantium Dulcis (Orange) Fruit Extract, Velvet Extract, Morus Alba Bark Extract, Dipotassium Glycyrrhizate, Portulaca Oleracea Extract, Carbomer, Triethanolamine, Dimethicone, Sorbitan Sesquioleate, Glyceryl Stearate, PEG-100 Stearate, Methyl Paraben, Tocopheryl Acetate, Allantoin, Propyl Paraben, Perfume, sh-Oligopeptide-1

#### How to use

Take 1~2 drops (0.2-0.4 ml) after cleansing and apply to treatment area with with gentle, fingertip massaging motions.

## Main active ingredients of REFRESH, GLOW & PURE:

- **Hyaluronic Acid (LMWHA)**, a powerful humectant that helps retain moisture levels in the tissue and improve skin pliability and plumping to relieve fine lines and maintain healthy hydration levels.
- **sh-Oligopeptide-1**, If used continuously, EGF supports regular skin cell renewal, moisturizes skin, fights signs of ageing and improves skin color.
- **Sodium PCA**, Natural mineral salt used as a humectant. Increases the water content of the top layers of the skin by drawing moisture from the surrounding air.
- **Glycerin**, is used as a moisturizer to treat or prevent dry, rough, scaly, itchy skin and minor skin irritations.
- **Betaine**, is involved in cell protection against oxidative stress through the so-called “osmolite strategy”. Betaine has a good anti-inflammatory action on superficial inflammatory lesions.
- **Beta Glucan**, works indirectly by activating the production of an important part of the immune system called the Langerhan cells. The Langerhan cells are important both for over-all health and youthful looking skin, since they protect the body from major infections and provide a way to repair the day-to-day wear that comes from age.
- **Portulaca Oleracea Extract**, is a natural source of vitamins A, C and E, and the co-enzyme Q10, it is an excellent antioxidant, fighting premature aging and protecting the skin from environmental damage.
- **Arctium Lappa Root Extract**, helps protect against chronic tissue inflammation and stimulates collagen synthesis. Promote blood circulation to the skin surface, improving the skin quality/texture and curing skin diseases like eczema.
- **Scutellaria Baicalensis Root Extract**, it is apparently effective in treating acute and chronic dermatitis . It's main function as anti-inflammatory, anti-oxidative and anti-irritant.
