

Generation CLINICCARE mesotherapy vials (03-2016)

(with 1000% more active ingredients per/ml)

CLINICCARE develops science based anti-ageing products offering strong clinical performance to aestheticians/cosmetologists/physicians. New generation CLINICCARE vials contain highly effective active ingredients, such as: Argireline, Arbutin, Beta Glucan, DMAE, sh-Oligopeptide-1 (EGF), Hyaluronic Acid, Hydrolyzed Collagen, Panax Ginseng and Palmitoyl Oligopeptide.

- Dedicated to professionals
- Innovative
- Efficient
- Safe
- Ready-for-use

Treat Skin (ageing) problems with 3 different products and hair loss problems with the Hair Energy vial.

EGF GLOW vial (with 20mg/ml Hyaluronic Acid)

- Non homogeneous complexion
- Pigmented skin
- Photo-damaged skin with pigmentation problems
- Dehydration
- Wrinkles, mimical wrinkles

EGF REFRESH vial (with 20mg/ml Hyaluronic Acid)

- Loss of tone & elasticity
- Dehydration
- Wrinkles, mimical wrinkles
- Photo-damaged skin without pigmentation problems

EGF TIGHT vial (with 20mg/ml Hyaluronic Acid)

- Flaccidity - loss of firmness
- Wrinkles, mimical wrinkles
- Loss of tone & elasticity
- Dehydration
- Photo-damaged skin without pigmentation problems.

HAIR ENERGY vial (with Hydrolyzed Collagen)

- Stimulate hair growth
- Stop hair loss
- Improve hair quality
- Anti-oxidant properties
- Anti-inflammation properties

EGF GLOW (8 ml x 10 vials)

Anti-Pigmentation & Skin Rejuvenation with 2% Hyaluronic Acid (20mg/ml)

Skin rejuvenating anti-pigmentation vial with intensive anti-wrinkle effect.

EGF GLOW have a mixture of anti-pigmentation, hydrating, firming, tightening and antioxidant ingredients to eliminate uneven pigmentation, and to restore moisture and firmness caused by too much sun and loosening of hyaluronic acid and collagen fibers.

Benefits:

- Offers fast-acting relief for pigmented and dehydrated skin
- Provides long-lasting hydration
- Suitable for hyper-pigmented skin with or without wrinkles.

Main active ingredients:

- Hyaluronic Acid 2% (Low molecule) (deep moisturizing effect)
- Arbutin 2% (Treat uneven skin tone and anti-pigmentation effect)
- Hexapeptide-8 (Argireline) 1% (Lifting, tightening and anti-wrinkle effect. Botox like effect)
- Panax Ginseng 1% (strengthens the skin, and benefits its barrier functions.
- Ascorbic Acid (Strong antioxidant that slows the rate of free-radical damage)
- Sh-Oligopeptide-1 / EGF (Tissue regeneration)
- Palmitoyl Oligopeptide (Increase collagen and hyaluronic acid level)

Ingredients:

Aqua, Butylene Glycol, Mineral Water, Betaine, Portulaca Oleracea Extract, Sodium PCA, Hyaluronic acid, Arbutin, Polyquaternium-51, Glycerin, Beta Glucan, Acetyl Hexapeptide-8 (Argireline), Alcohol, Panax Ginseng Root Extract, Ascorbic Acid, Centella Asiatica Extract, Echinacea Purpurea Extract, PEG-60, Hydrogenated Castor Oil, sh- Oligopeptide-1 (EGF), Chamomilla Recutita Flower Extract, Camellia Sinensis Leaf Extract, Glycyrrhiza Glabra Root Extract, Polygonum Cuspidatum Root Extract, Rosemary Leaf Extract, Scutellaria Baicaliensis Root Extract, Magnolia Kobus Bark Extract, Citrus Paradisi (Grapefruit) Fruit Extract, Thujopsis Dolabrata Branch Extract, Camellia Sinensis Flower Extract, Allantoin, Hydroxyethylcellulose, 1,2-Hexanediol, Chlorphenesin, Phenoxyethanol, Palmitoyl Oligopeptide, Disodium EDTA

EGF REFRESH

(8 ml x 10 vials)

Skin Rejuvenation with 2% Hyaluronic Acid (20mg/ml)

Skin rejuvenating vial with intensive anti-wrinkle effect.

EGF REFRESH have a mixture of skin rejuvenating, hydrating, firming, tightening and antioxidant ingredients to restore moisture and firmness caused by loosening of hyaluronic acid and collagen fibers.

Benefits:

- Offers fast-acting soothing, skin rejuvenating and anti-wrinkle effect
- Provides long-lasting hydration
- Suitable for all skin types

Main active ingredients:

- Hyaluronic Acid 2% (Low Molecule) (deep moisturizing effect)
- Hexapeptide-8 (Argireline) 1% (Lifting, tightening and anti-wrinkle effect. Botox like effect)
- Panax Ginseng 1% (strengthens the skin, and benefits its barrier functions.
- Ascorbic Acid (Strong antioxidant that slows the rate of free-radical damage)
- Sh-Oligopeptide-1 / EGF (Tissue regeneration)
- Palmitoyl Oligopeptide (Increase collagen and hyaluronic acid level)

Ingredients:

Aqua, Butylene Glycol, Mineral Water, Betaine, Portulaca Oleracea Extract, Sodium PCA, Hyaluronic acid, Polyquaternium-51, Glycerin, Beta Glucan, Acetyl Hexapeptide-8, Alcohol, Panax Ginseng Root Extract, Centella Asiatica Extract, Echinacea Purpurea Extract, Ascorbic Acid, sh-Oligopeptide-1, PEG-60 Hydrogenated Castor Oil, Chamomilla Recutita Flower Extract, Camellia Sinensis Leaf Extract, Glycyrrhiza Glabra Root Extract, Polygonum Cuspidatum Root Extract, Rosemary Leaf Extract, Scutellaria Baicaliensis Root Extract, Magnolia Kobus Bark Extract, Citrus Paradisi (Grapefruit) Fruit Extract, Thujopsis Dolabrata Branch Extract, Camellia Sinensis Flower Extract, Allantoin, Hydroxyethylcellulose, 1,2-Hexanediol, Chlorphenesin, Phenoxyethanol, Palmitoyl Oligopeptide, Disodium EDTA

EGF TIGHT

(8 ml x 10 vials)

Lifting & Skin Rejuvenating with 2% Hyaluronic Acid (20mg/ml)

Skin rejuvenating vial with intensive anti-wrinkle and lifting effect.

EGF REFRESH have a mixture of skin rejuvenating, hydrating, firming, tightening and antioxidant ingredients to restore moisture and firmness caused by loosening of hyaluronic acid and collagen fibers.

Benefits:

- Offers fast-acting soothing, skin rejuvenating, anti-wrinkle and tightening effect
- Mimics Botox effect via muscular relaxation
- Provides long-lasting hydration
- Suitable for all skin types

Main active ingredients:

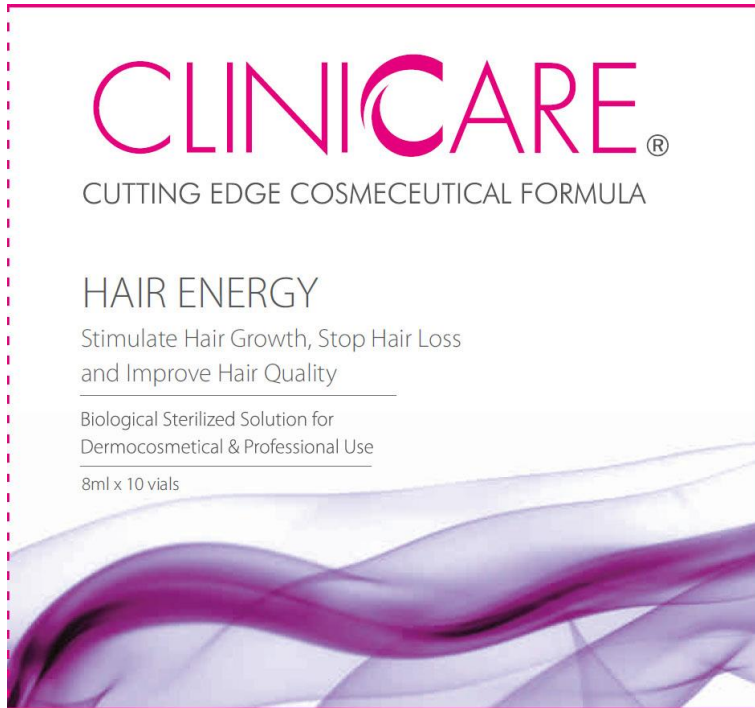

- Hyaluronic Acid 2%(Low Molecule)(deep moisturizing effect)
- Hexapeptide-8 (Argireline) 1% (Lifting, tightening and anti-wrinkle effect. Botox® like effect)
- DMAE 1% (Strong anti-wrinkle effect)
- Panax Ginseng 1% (strengthens the skin, and benefits its barrier functions.
- Ascorbic Acid (Strong antioxidant that slows the rate of free-radical damage)
- Sh-Oligopeptide-1 / EGF (Tissue regeneration)
- Palmitoyl Oligopeptide (Increase collagen and hyaluronic acid level)

Ingredients:

Aqua, Butylene Glycol, Mineral Water, Betaine, Portulaca Oleracea Extract, Sodium PCA, Hyaluronic acid, Polyquaternium-51, Glycerin, Beta Glucan, Dimethyl MEA (DMAE), Acetyl Hexapeptide-8, Alcohol, Panax Ginseng Root Extract, Centella Asiatica Extract, Echinacea Purpurea Extract, PEG-60 Hydrogenated Castor Oil, sh- Oligopeptide-1, Silica, Ascorbic Acid, Chamomilla Recutita Flower Extract, Camellia Sinensis Leaf Extract, Glycyrrhiza Glabra Root Extract, Polygonum Cuspidatum Root Extract, Rosemary Leaf Extract, Scutellaria Baicaliensis Root Extract, Magnolia Kobus Bark Extract, Citrus Paradisi (Grapefruit) Fruit Extract, Thujopsis Dolabrata Branch Extract, Camellia Sinensis Flower Extract, Allantoin, Hydroxyethylcellulose, 1,2-Hexanediol, Chlorphenesin, Phenoxyethanol, Palmitoyl Oligopeptide, Disodium EDTA

HAIR ENERGY

(8ml x 10 vials)

Stimulate hair growth. Stop hair loss and improve hair quality.

Hair Energy vials have a unique combination of active ingredients specially designed to maintain scalp vitality and act on follicle dysfunctions in order to achieve good anti-hair loss results.

It combines anti-oxidant and anti-inflammatory effects with a hair growth stimulating effect.

Targets:

- Hormonal (androgenic) or hereditary hair loss
- Tired and dehydrated hair
- Slow hair growth

Some of the main active ingredients:

- **Hydrolyzed Collagen**, provides specific amino acids necessary to replenishing the body's collagen. Corrects weak, broken, split and damaged nail beds. Thickens fine hair and slows down hair loss.
- **Citrullus Colosynthis Fruit Extract**, stimulate hair growth, with an effect comparable to finasteride.
- **Velvet Extract**, promotes hair growth by regulating the hair cycle and cell proliferation in hair follicles.
- **Angelica Acutiloba Root Extract**, protect from hair loss and promote hair growth.
- **Rheum Palmatum Root Extract**, protect from hair loss and promote hair growth.
- **Centella Asiatica Extract**, by increasing the supply of blood to the capillaries under the skin, centella asiatica can improve the health and condition of skin's surface layers. It can also stimulate hair growth by delivering an increased flow of oxygenated blood to the hair follicles.
- **Polygonum Cuspidatum Extract** gives more well-organized bands of collagen, more fibroblasts and hair follicle and less inflammatory cells.

Ingredients:

Purified Water, Propylene Glycol, Alcohol, Quaternium-60, Hydrolyzed Collagen, Panthenol, Niacinamide, Butylene Glycol, Aloe Barbadensis Leaf Juice, Centella Asiatica Extract, Citrullus Colocynthis Fruit Extract, Velvet Extract, Castanea Sativa (Chestnut) Seed Extract, Angelica Acutiloba Root Extract, Rheum Palmatum Root Extract, Glycyrrhiza Glabra (Licorice) Root Extract, Scutellaria Baicalensis Root Extract, Polygonum Cuspidatum Root Extract, Camellia Sinensis Leaf Extract, Rosmarinus Officinalis (Rosemary) Leaf Extract, Chamomilla Recutita (Matricaria) Flower Extract, Phenoxyethanol

Instructions for use (Mesotherapy):

Use up to 2.5 ml per application.

The technique:

The technique for injecting EGF GLOW, EGF REFRESH, EGF TIGHT is the direct injection in epidermis and/or dermis and is an effective treatment for the face, neck, hands and decolage. The technique for injecting HAIR ENERGY is the direct injection in epidermis and/or upper dermis and is an effective anti-hair loss treatment.

Overview of the procedure:

Injection depth: 1 mm - 2 mm

Injection spacing: 0.5 – 2 cm apart.

Injection amount: 0.05 ml – 0.1 ml

Injection method:

Epidermic mesotherapy, nappage, point by point. Microinjection into the dermal epidermal junction.

Equipment:

Syringe with 4 mm 30G-33G (Micro) Mesotherapy needle, or a 0.5 mm – 2.5 mm Microneedling device (roller, stamp or machine).

Procedure:

1. Disinfect the area to be treated with appropriate solution.
2. Map the area to be treated in each session.
3. Perform the procedure with the patient lying down.
4. Draw up the required quantity of ingredients.
5. Start the injection of choosen product in the area to be treated. Introduce the drugs smoothly with a regular interval between each dose.
6. Take care to respect the locations of the vascular and nervous systems, in order to diminish the possibility of hematoma.

Treatment schedule (EGF GLOW-, EGF REFRESH- and EGF TIGHT vials): (Mesotherapy) 1 session per week during 4 to 8 weeks, entire process can be repeated 2 or 3 times a year as needed. (Microneedling) 1 session every 3 to 6 weeks, during 3 to 6 months, followed by maintenance sessions every year.

Treatment schedule (HAIR ENERGY vials): (Mesotherapy) 1 session per week during 4 to 8 weeks, followed by one maintenance session every 3-6 weeks. (Microneedling) 1 session per week during 4 to 8 weeks, followed by one maintenance session every 3-6 weeks

Storage period after opening (if rubber sealant is broken):

Stable for 1 day in refrigerator
