7	Alt: Silky 2in1 Gel "Vitamin-C" Gel	500 ml	0.5 ml	1000	
8	Sun Shield Silky Cream SPF30	50 ml	1 ml	50	
				TOTAL	

Treatment protocol:

1. Remove make-up using **Silky Lip & Eye Remover** (if needed).
2. Clean the skin using **Silky Concentrated Cleansing Foam**. Mix a small amount of **Cleansing Foam** with water and make a light foam. Massage the skin and remove with lukewarm water and dry.
3. Remove grease and oils with **CHEMISEPT G**.
4. Mix **PURE PEEL** with **PEEL BLENDER (see chemical peelings mixtures 03-2016)** Apply up to 4 layers of mixed **PURE PEEL**, on the face using cotton buds.
5. The peeling should be actively neutralized after 3 to 7 minutes (or when the patient reaches a pain level of 4 or 5 on a 10-point scale)*, by cleansing the skin with **CLINICARE Skin Toner**.
6. Boost treatment results (**optional**): Apply 1-2 layers of **CLINICARE AHA+EGF Skin Booster** and wait for about 2-3 minutes.
7. Apply **CLINICARE EGF PURE** mask (**Alt: Silky 2in1 Gel "Vitamin-C"**) on treatment area. Leave the mask on the face about 20-35 (**10-15**) minutes until it begins to dry. Remove the mask, wipe off mask residues.
8. Apply **Silky Eye Renewal Cream** on eye and lip area.
9. Apply **EGF EXTRA PURE** Essence or Serum (depending on skin type) (**Alt: Silky 2in1 Gel "Vitamin-C"**).
10. Apply on top of that **Sun Shield Silky Cream SPF 30** (daytime).

For enhancement of treatment results:

- IPL treatments against inflammations and acne.
- LED treatments against inflammations and acne
