Treatment protocol:

1. Remove make-up using **Silky Lip & Eye Remover** (if needed).
2. Clean the skin using **Silky Foam Cleansing**. Mix a small amount of **Silky Foam Cleansing** with water and make a light foam. Massage the skin and remove with lukewarm water and dry.
3. Exfoliate skin using small amounts of **Silky Clear Peeling Gel**. Wipe off residues
Alt: Apply up to 4 layers of **AHA+EGF PEEL**, on the face using a small ball of cotton wool. Stop applying the solution as soon as a soft tingling is felt.
4. Neutralize skin with **Silky Skin Toner**.
5. Apply **CLINICARE EGF PURE** mask (**Alt: Silky 2in1 Gel "Vitamin-C"**) on treatment area. Leave the mask on the face about 15-20 (**10-15**) minutes until it begins to dry. Remove the mask, wipe off mask residues.
6. Apply **Silky Eye Renewal Cream** on eye and lip area.
7. Apply **EGF EXTRA Anti-Inflammation Essence** or **Serum** (depending on skin type)
8. Apply on top of that **Sun Block Silky Cream SPF 30** (daytime).
